# Foreign Exchange Students

Fermi has been a good experience to know about American culture and life style. The teachers are friendly and have helped us a lot. Thanks a lot! I will never forget your classes. The students were weird in the beginning. Everybody was interested in being our friends, but then as we became members of the school they didn't talk a lot. I'm sure everybody makes real good friends here, as all the exchange students will make! The clubs, the sports, the weather, everything is very different here; but this is the best thing in our lives. Try something different! I'll never forget this wonderful experience here; thank you for all the attention!

Together we cheered, smiled, and laughed as the stir of school spirit filled the crowd. We warmed our freezing hands on cups of hot cocoa and waited anxiously for a Fermi goal. I'll never forget the excitement of Fermi hockey games. On those bitter cold Saturday afternoons there was a sense of warmth in the security of our friendships. The class of 1999 leaves Fermi with countless memories that allow us to relive the joy, humor, and emotion of these precious moments time and time again.

In addition to academic lessons, at Fermi we have learned paramount lessons of life. These lessons were not learned from a book or lecture, but from life's most influential teacher — experience. We tasted the bitterness of authority and the sweetness of independence as we took our first sips of adulthood. We craved autonomy. We now stand at the fork in the road of destiny and must choose between a passive or dynamic lifestyle. I encourage the class of 1999 to venture into the new millennium to experience life as an active participant, and to live with that zealous fervor which created so many cherished memories during our time in high school.

Love always,

Erin Clark

# Principal's Message

Each graduating class leaves a special legacy for future generations to strive to surpass. The graduating Class of 1999 is no exception. You will be forever remembered for your successes in the classroom, in school activities, and on the athletic fields. By way of example, a member of the class scored a perfect 800 on the Math SAT, various clubs won state and national honors, and this class produced more athletic championships, all-league and all-state performers than any other previous class.

The faculty and administration are confident that you are ready to accept the challenges that await you. We sincerely hope that we have instilled in you a thirst for knowledge, a vision for the future, and a desire to make this a better world in which to live.

As time passes and your memory begins to fade, "Traces" will serve as a vivid reminder of what your classmates looked like before the aging process set in, the activities that were of special significance to you, and the noteworthy accomplishments achieved by the Class of 1999. We hope that by revisiting "Traces", you will have the opportunity to reflect on the wonderful years you enjoyed here at Enrico Fermi High School.

On behalf of the entire Fermi Family, we wish you an enjoyable, healthy and successful future.

Sincerely,

Stephen W. Ross  
Principal

With more wins than any team in Fermi Girls' Soccer history, the 1998 team coached by Laura Kuhnel and Dennis Brown, enjoyed a memorable season. As Co-Champions of the CCC East the team ascended to the semi-final round of the state tournament and finished the season with an amazing record of 17 wins and 2 losses. The team crushed league opponents along its victorious journey: Manchester 5-1, Enfield 4-0, Rockville, 5-0. Its one league loss came late in the season to rival South Windsor and resulted in a sharing of the league title. However, there was no question over who was the league champion when Fermi destroyed South Windsor 4-0 in the state tournament. Explosive offense, fiery defense, and a strong sense of unity characterized the 1998 squad. The 1998 Fermi Girls' Soccer team knew how to work, how to win, and how to party.

Good Luck Next Season,  
from your Captains:

We had an awesome season, finishing off the year with a record of 11-1. This led us to our third straight CCC East title. Five school records fell in this year alone and we had a record breaking four All State swimmers: Tammie Repass, Amber Johnston, Ania Kawecki, and Michelle Repass. Amber Johnston was the Class L Champion in the 100 yard breaststroke and she was also our first ever State Open Champion. Amber broke the Class L record and tied the State Open record. We are graduating two seniors this year. Tammie Repass and Donna Duffy would both like to wish next year's team the best of luck.

We had a tough season. Not only did we have a small squad, we were also plagued with injuries. Halfway through the year, one of our star setters, Michelle Sanchioni, hurt her shoulder and was out the rest of the season. Her absence forced our team to learn a whole new rotation.

Besides the injuries, we had a fairly successful season; we had a 9-9 tournament record and made the state tournament where we lost in the first round to Amity Regional High School. Two of our teammates were All-Conference players, Renee Salvas and Jessica Erickson. We wish luck to next year's squad.

Our Field Hockey team had a lot of fun this year. This was the best group of girls that we have seen so far. Even though we didn't have the best record, 4-8-1, it didn't stop us from having fun and not giving up. This team managed to get through many injuries this season, including Janette Polaski's blow to the head, causing her to get quite a few stitches. But we pulled together and with a bit of team spirit, we had fun running around in a game with tape on our heads to make her feel better.

One of the major goals we accomplished was fundraising enough money to buy the team fleeces. That took many hours of planning, volunteering and we had to wash a lot of cars. It was definitely worth it.

Best of luck next year, and don't forget the Laugh Olympics!

Your team captains,

Lindsay Durner, Erica Schermerhorn, Chalam Smith

In February 1999, 19 students from Fermi High and others from Enfield High left for Madrid, Spain, on a 9-day-long trip. The trip was a great success, and everyone enjoyed it a lot, saying it was a great experience and a good opportunity to learn more about the Spanish culture. The group stayed in Madrid, Sevilla, and the Costa del Sol, while visiting other cities such as Segovia, Granada, Toledo, and Córdoba. Three chaperones went from Fermi, Mrs. Fay, Mrs. Buckner, and Marie Liddle. The trip went very smoothly, with the group returning to J.F.K. Airport in New York City on February 19, 1999.

### Jeremy

We are thankful to have you as our son, for you have taught us so much. You are an individual who speaks his mind, is not afraid to love fiercely and demonstratively, and who will not lie down in the face of injustice or oppression. Your warm smile charmed not only us but everyone who knew you. Even your idiosyncrasies were respected — how many people had plastic silverware on hand for your visits, made smooth spaghetti sauce or gave up adding onions to their recipes?

While it would have been nice to protect you from the realities of life — we couldn't, and you experienced both pain and losing people at a young age. All this must make you enjoy life more rather than shirk from it. Be grateful for all your days and treat them as special and meaningful. Don't worry about yourself — because you are strong and a survivor. Know that you are loved and cherished each and every day of your life, for . . . We "love you forever, we like you for always, as long as we're living, our baby you 'll be."

All our love, for all time,  
Mom and Dad
